Introduction to Latex

Le Viet Hoang

May 4, 2020

1 Problem

This paragraph here is fully justified, but note how we have forced the end of the line to occur before the word “forced”.

2 Solution

These lines
are centred.

3 Explanation

Here we have some
left justified
text.

4 Outline

Here we have some
right justified
text.

This text is centered.

The Introductory L^AT_EX course runs for four days from **10-00** to **13-00**, with a coffe break at **11-30**.

5 Reference

1. Animal
 - (a) Mammals
 - (b) Birds
